

ZEVinnovation

Open call for innovative ideas

ZEVinnovation project team is pleased to launch an Open call for innovators and SMEs to apply for support services in development of new and innovative ideas, technologies or services related to zero-emission vessels and manufacturing.

Services

The Pilot is based on the tailored service approach where each applicant chooses **up to 3 support services** which he needs most.

Timeline

The Pilot program will run until **the end of 2022** and it will facilitate learning and knowledge sharing through 1-on-1 sessions with mentors and experts. During this period, the selected applicants will make themselves available for 1-on-1 meetings with ZEVinnovation experts upon request.

How to apply?

Step 1 Register to ZEVinnovation HUB https://zevinnovation.eu/hub/	Step 2 Create your profile	Step 3 Submit your application using the online submission form
---	--------------------------------------	---

Register and apply your idea now!
